I want to thank Chad, Ben, and all members of Rocky Mountain Rustics, Inc., for a job well done. The professional courtesy you extended to me was most appreciated. I have been involved in a lot of new construction in my life, and as such your project ranks among the top. Thank you again for your extraordinary efforts.

Dear Chad:

Thank you for your letter of October 27th. I've built three homes and a professional building in my lifetime. You, sir, are the first to send a follow-up letter of concern. I commend you for your thoughtfulness for high standards of excellence. I encourage you to do this for all future clients. I was very impressed.

Hopefully, I will get a chance to race you down Elk Park Ridge this winter!

Sincerely,

A handwritten signature in black ink, appearing to read 'E. Davig'.
